Not-to-be-missed the workshops and round tables with a focus on present and future processes characterizing the beauty world. Cosmoprime Forum will offer to professionals of the sector a profitable opportunity for highly qualified updates on the retail distribution and the market in general.

Within COSMOPRIME a special area in collaboration with Accademia del Profumo and Cosmetica Italia – Personal Care Association will be set up, The Perfume Factory. The area – “powered by Cosmopack” – will host the industrial steps of the production of a perfume, a virtual journey that will take the visitor to discover the entire supply chain of a fragrance: from olcatory to maceration, from filtration to filling, packaging and cellophane wrapping. A fragrance will be produced in “limited edition” to celebrate the 50th edition of Cosmoprof Worldwide Bologna, thanks to the collaboration of the leading companies of this sector exhibiting in Cosmopack. The Perfume Factory will also be the ideal place to celebrate the finalists in 2017 of the Accademia del Profumo Award with a location designed for that purpose.

COSMOPRIME will be in conjunction with Cosmopack, the target event of the beauty supply chain, held from March 16th to 19th, 2017. This coexistence will allow professional visitors to spend one more day in scheduling B2B meetings and increasing their network. At the same time, business relationships between the beauty industry, exhibiting at Cosmopack, and companies of finished products attending Cosmoprime will be easier. This initiative confirms the role of Cosmoprof Worldwide Bologna as key business opportunity for both beauty companies and professionals.
