EBIN[®]
NEW YORK

Company description:

EBIN NEWYORK has already transformed the beauty industry with groundbreaking success. Now, we set our sights on pioneering the next frontier - K Beauty. With one goal, Glass Skin for everyone, we proudly introduce three visionary brands.

COSYUREE is the foundation, honoring the essence of K-Beauty with essential skincare that makes radiant, glass skin accessible to all people. GORILLA WAXING redefines Korean skincare, extending the philosophy beyond the face to the entire body - from head to toe - reminding the world that every inch of skin deserves care. INJECTIER ignites a revolution as the third generation of K-Beauty, uniting Korean beauty devices with professional-grade results to bring the clinic experience home.

Together, these brands embody EBIN's vision of elegance, innovation, and inclusivity - ushering in a new era where K-Beauty becomes not just a trend, but a timeless global language of beauty.

SUN BEAUTY INC

Company description:

At Sun Beauty Inc., we are committed to redefining the standards of hair removal and post-wax skincare.

Our story began over 20 years ago when our founder, a passionate skincare professional, identified the growing need for safe and effective intimate hair removal solutions for women. Driven by innovation and a dedication to skin health, she created wax formulas that deliver exceptional results while protecting and caring for the skin.

As our expertise evolved, so did our vision. Recognizing that proper post-wax care is essential for maintaining smooth and healthy skin, we expanded our portfolio to include advanced skincare products that soothe, nourish, and rejuvenate after waxing.
