Kao Chemicals Europe and ChemPoint reach distribution agreement in the United States.

Meeting digital worldwide

COSMOPROF | WeCosmoprof International wants to be a safe ecosystem without borders. The new digital event will take place from June 7 to 18, 2021 and is intended to bring the entire cosmetics industry together thanks to the innovative digital tool from "Cosmoprof My Match". Starting with the Asian markets in this volume the event aims to promote networking opportunities between players worldwide. Stakeholders from every continent will participate, starting with Asia, and continuing to Europe, Africa, Oceania and America.

With its new production site in Guadeloupe, the company has achieved further successes in its internationalisation strategy.

FURTHER INTERNATIONALISATION

KLINGELE PAPER & PACKAGING GROUP | The independent manufacturers of corrugated base paper and corrugated cardboard packaging, has acquired the Société Guadeloupéenne de Carton Ondulé (SGCO) production site on the French Caribbean island of Guadeloupe from International Paper Company. Located in Baillif, the company, which will operate under the future name of Klingele Cartonnerie de Guadeloupe, has just under 40 employees and is the only one of its kind on the island. With this new acquisition, the company continues to pursue its successful internationalisation strategy.
