COSMOPROF ASIA POSTPONED

Due to the ongoing uncertainty associated with the pandemic—and related travel restrictions—the organizers of Cosmoprof Asia, which was scheduled for November 17-19, 2021 at the Hong Kong Convention and Exhibition Centre, have announced that the 25th edition has been postponed to November 16-18, 2022.

In its absence, they will present Cosmoprof Asia Digital Week, November 8-16, 2021.
