

THE UK PAVILION

20 – 22 MARCH 2025
COSMOPROF WORLDWIDE BOLOGNA

NEW! HALL 22

ORGANISED BY

Enrico Zannini

General Manager BolognaFiere Cosmoprof Spa

On behalf of BolognaFiere Group, organizer of Cosmoprof Worldwide Bologna, welcome to the 56th edition of Cosmoprof Worldwide Bologna!

From March 20 to 22 international stakeholders travelling to Bologna from all over the world will connect each other to discover what's new in the industry, share successful case-histories, face future challenges, and boost their business thanks to new inspirations and fruitful collaborations.

After more than 50 years, Cosmoprof Worldwide Bologna is still an unrivalled showcase for UK beauty. The participation of key players, the highly-performing services and tools for match-making and networking, and the amazing exhibition offer, with novelties and launches from the major international leaders of the cosmetics industry, represent a unique scenario for UK brands to present their innovative proposals, their sustainable solutions and their brand-new services

and technologies, and to define commercial relationships with new partners.

Among all exhibitors at Cosmoprof, companies from United Kingdom are a key pillar for buyers and retailers from almost 150 countries worldwide who are attending the exhibition. My sincere gratitude goes to the 45 UK exhibitors who are participating in the event in hall 22: thanks for trusting in Cosmoprof Worldwide Bologna as the best showcase for your business, and thanks for being part of the dedicated Country Pavilion we arranged with the aim of highlighting the quality and elevated safety standards of UK beauty industry.

I wish all companies exhibiting in UK Pavilion in Hall 22 a profitable attendance at Cosmoprof Worldwide Bologna, and I trust in a long-time and successful collaboration for the next events of the Cosmoprof global platform.

Hall 22 – Booth A29

ALTRUIST Sunscreen was initiated by Dr Andrew Birnie, Consultant Dermatologist and skin cancer surgeon based in Canterbury, UK. It is our mission to reduce the incidence of skin cancer through the use of quality sunscreen together with education and awareness. In partnership with some of the best formulation scientists in Europe, ALTRUIST provides premium, yet affordable sunscreen.

Altruist sells its products globally, with its

primary focus on the UK and EU market. Additionally, Altruist supports charities that help children with albinism in Africa by donating 10p worth of sunscreen from each tube sold. Together with partners, Altruist has been able to donate over 1,120K GBP (1,303K EUR) in products since the launch of the brand.
